

MWLUG Summer 2018 Meeting

As you know, the MWLUG Summer Meeting is one of the absolute highlights of the Infor Lawson User Community events each year and this year is no different. The 2018 MWLUG Summer Meeting, [June 27th and 28th](#), will feature over 55 sessions across the whole gamut of functional and technical areas and MWLUG is teaming up with RPI Consultants to kick things off with an IPA Symposium on June 26th. The day-long event will be packed with informative sessions and trainings focused on IPA.

The 2018 MWLUG IPA Symposium with RPI Consultants

June 26, 2018

St. Olaf College | Northfield, MN

Tentative Agenda

(Will be finalized soon)

About

The IPA Symposium is a collaboration of developers, users, thought leaders and other community members focusing on how to get the most out of IPA. It is a unique opportunity to share your experience and expertise around this powerful software tool as well as further your knowledge and understanding of how you can leverage it in your organization.

More Information

The event will last a full day with two tracks. The Enablement track is appropriate for those who want a basic introduction and understanding of how to use the software. The Advanced track will highlight different presentations from RPI and community thought leaders on how organizations are leveraging IPA to optimize their Infor Lawson solution.

You can register for the Symposium from the MWLUG summer event page on [WorkOutLoud](#)
